Dear Sir/Madam,

SUBJECT: INDUSTRIAL TRIP REQUEST TO OLKARIA GEOTHERMAL STATION

I am writing this letter on behalf of the Department of Mathematics, Chemistry and Physics at **University of Eastern Africa, Baraton**, seeking your permission to conduct an industrial visit to your company, Olkaria Geothermal Station, **Naivasha** on Tuesday 7th /03/2023

There would be **60 students** and **2 faculty members**.

The students to visit are taking **Environmental and Renewable Energy** courses this semester. This visit will not only help in better understanding of various processes that take place in Geothermal Energy Production but also help the students to connect theoretical knowledge with practical knowledge.

During the visit, we intend to be shown the processes involved in geothermal energy production.

Kindly grant us permission for the industrial visit as we look forward to a positive reply.

Thank you.

Yours Sincerely,

Mr. Evance Otero

Lecturer , Environmental and Renewable Energy
