Dear Sir/madam

## RE: EDUCATION FIELD VISIT

With reference to the subject above, I wish to seek a chance to visit **NGONG WIND POWER STATION** with a group of 75 trainees and 5 trainers from Electrical Engineering Department. Education trips prove successful in enriching our teaching and learning. Thus, I would appreciate a chance to visit your organization for trainees to familiarize with Wind power generating station.

I look forward to your response giving us your schedule. We have tentatively planned for **Friday 2<sup>nd</sup> June 2023**.

Thank you.

Yours faithfully,
