RE: REQUEST FOR AN ACADEMIC TRIP

We kindly request you to allow our Electrical and Electronics Engineering students to have an academic visit to your company on 9/ Feb/2023 or 17/ Feb/2023, to learn in the following skill areas.

- Hydroelectric power generation
- PLCs
- Turbines
- Power system protections
- Current and voltage transformers
- Power transformers

The department intends to bring a total 30 students in Diploma level and 3 staff members.

Please provide feedback to this request early enough for proper planning.

Thank you in advance.

Yours Faithfully,

Omae Jackson

HOD Electrical and Electronics Engineering.
