Dear Sir/madam

RE: EDUCATION FIELD VISIT

With reference to the subject above, we wish to seek a chance to visit **MASINGA POWER STATION** with a group of 70 trainees and 5 trainers from electrical department. Education trips prove successful in enriching our teaching and learning. Thus, we would appreciate a chance to visit your organization for trainees to familiarize with Hydro-electric power generation station.

We have tentatively scheduled for **Friday 2nd June 2023**.

Looking forward to your response giving us your schedule. Thank you.

Yours faithfully
